

MOLO Bilingual Montessori School

TODDLER PROGRAM

18 months – 3 years

MOLO Toddler Program honors children at their unique stage of emerging independence, rapid language development, and natural curiosity. Within our thoughtfully prepared environment, daily routines become meaningful learning experiences, and sensory exploration fuels discovery. Our consistent, nurturing setting supports each child's individual pace, while our mixed-age community builds empathy and confidence—laying a gentle, joyful foundation for their educational journey.
