

MOLO Bilingual Montessori School

ELEMENTARY

1st – 6th grade

Unlike teacher-centered traditional elementary education, MOLO follows Dr. Montessori's Cosmic Education philosophy, nurturing independent thinkers, researchers, and responsible global citizens. Our mixed-age Lower (1–3) & Upper (4–6) classrooms support self-directed learning, long uninterrupted work cycles, and knowledge application far beyond textbooks.

WHY MOLO

AUTHENTIC MONTESSORI EDUCATION

- Cosmic education & integrated curriculum
- Hands-on work with progression toward abstraction
- Mixed-age community & student leadership
- Uninterrupted work cycles & independent research skills

CERTIFIED & EXPERIENCED TEACHERS

- Internationally accredited Montessori 6–12 certification
- Diverse multinational teaching team with enriched Chinese lessons
- Specialists in art, music and physical education
- Continuous elementary Montessori professional development

TOP-NOTCH FACILITIES

- Purpose-built elementary prepared environments
- Indoor gym & athletic facilities
- Gardens and pets for nature education
- Monthly field trips to further education in real-world settings

Calendar

All holidays, closure days and school activities for both downstairs and elementary.

Parent Handbook

This is a great place to find answers to many questions you may have from our mission statement to sick policies.
